

Proper Generator Service is critical to your business

CarePlus Plan

Annual Maintenance on generator:

- 1st Visit** Change the Oil and Oil Filter, Check Battery, generator amperage production and Transfer Switch function.
- 2nd Visit** Same as 1st visit plus change Sparkplugs and Air Filter

Peace of Mind Electrical Services is a Houston Generac® Authorized Dealer

Routine maintenance is important to making sure your generator is working properly. Standby generators have a service life of up to 30,000 hours. Your generator may only incur occasional use - sometimes, depending on the situation, frequent use. Regardless, your generator should be inspected regularly.
